NORTHWOOD EVENT CENTER
TOTAL UNITED NORTHWOOD EFFORT (TUNE) was established in 1973 with a goal to coordinate ideas, actions, and talents of the people belonging to Northwood's various service organizations and groups. TUNE's focus is development and revitalization of downtown, promotion of Northwood, and ongoing fundraising. TUNE's latest project has been redeveloping the old lumberyard into an event center. TUNE will host an open house in the fall of 2020 and begin taking reservations for December.
